

DEVINE BUILDERS

Home Renovations | Property Maintenance | Garage Conversions

Connah's Quay, Flintshire & across North Wales

Devine Builders is a local, owner-run building firm based in Connah's Quay. Run by Phil Devine, we specialise in home renovations, property maintenance and garage conversions across Flintshire and the wider North Wales area. When you call, you deal directly with the person doing the work - so you get clear advice, fair pricing and a tidy, reliable job from start to finish.

Our Services

Home Renovations

Modernise and extend your home with work built to last - kitchens, bathrooms and full refurbishments, structural alterations and knock-throughs, plastering, joinery and finishing. We manage the whole job from first idea to final finish.

Property Maintenance

Dependable repairs and upkeep to keep your property in top condition - general repairs and small building jobs, brickwork, pointing and rendering, plus ongoing maintenance for homes and rental properties. We turn up when we say we will.

Garage Conversions

Turn an underused garage into a room you'll actually use - an office, playroom, utility or extra bedroom. Insulation, walls and weatherproofing, flooring, windows and doors, fully plastered and ready to decorate.

Areas We Cover

Based in Connah's Quay, we regularly work in Connah's Quay, Shotton, Queensferry, Hawarden, Ewloe, Buckley, Mold, Flint, Holywell, Deeside, Saltney, Broughton and Sandycroft, plus the surrounding Flintshire and North Wales area. Not sure if we reach you? Just ask.

Why Choose Devine Builders
